

LET OUR FAMILY CARE FOR YOURS.

Your loved ones will always be treated like one of our own. Whether recovering from surgery or illness, or simply in need of an extra hand at home, Alternacare's home care services:

- Afford greater comfort and independence
- Allow the maintenance of dignity
- Keep family members together, in the comfort of their home
- Provide greatly needed care giver relief (respite care)

Give us a call to book a free assessment.

Our Nursing Supervisor will visit you at home and create a customized care plan that meets your needs, schedule, and budget – at no obligation. Should you choose to engage our services, our Nursing Supervisor will use the information obtained to develop your care plan and find the right person to care for you or your family member.

Your customized care plan will be:

- Carefully reviewed with the assigned employee(s), prior to their first shift.
- Closely monitored on an ongoing basis, to ensure it accurately reflects your requirements.

Enhancing the quality of life.

Alternacare is committed to providing tailored and affordable health care staffing solutions to individuals in their homes, retirement residences, and health-care facilities. Our caregivers are chosen for their professionalism, sensitivity, and total commitment to every single client.

EMPATHY | COMPASSION | RESPECT

We go to great lengths to pair our clients with the most suitable home care providers.

Immediately following the first shift, Alternacare will get in touch with you and the employee for a visit assessment, to confirm that everything went well. We will continue to follow-up with both parties on a weekly basis thereafter, to make amendments (as needed) and to ensure your continued satisfaction.

Alternacare professionals include:

- Registered Nurses
- Registered Practical Nurses / Registered Nursing Assistants
- Nurses Aides / Personal Support Workers
- Homemakers
- Companions / Sitters
